

Under a new state law, these changes will help bring universal recycling to Delaware:

- December 1, 2010 – 5¢ deposit on beer and soda bottles becomes a 4¢ recycling fee (not refundable)
- January 31, 2011 – last day you can get a refund for bottles on which you paid a deposit
- December 1, 2014 – recycling fee will end and there will no longer be an extra charge on bottles
- By 2014, the recycling fee will help expand and encourage recycling throughout Delaware
